Young adult and College age ministry is geared towards bringing young adults over the age of 18 together in fellowship and Christ. If you are interested in the young adult group please feel free to call Josh Wold.

Saturday, August 9th

7:00-11:00p.m.

The Young adult and College age group will be going bowling at Kelly's bowl. We are going to be meeting at the Solid Rock Café, across the street from the school, around 6:45 and heading out at 7. The cost to bowl will be around \$7 for two games and shoe rental. Everyone over the age of eighteen is welcome and encouraged to come and have some fellowship and fun. If you have any questions call Josh Wold.

End of Summer

Please remember to keep the young adults heading back to college soon in your prayers as they will be driving, flying, packing and getting ready for another year of school. During this period we pray that they have safe travels and are able to start up their school year on the right foot. Thank You.
